Super Easy Reading is a three book series designed to introduce very young students to reading English. Throughout the series, the students will expand their vocabulary with relevant, high frequency words, as well as develop and improve reading fluency and sight-word recognition. In *Super Easy Reading*, students can practice reading in a controlled and carefully graduated manner that students will find fun, accessible, and educational.

Super Easy Reading シリーズは子供向けのリーディング教材です。全シリーズを通して、生徒たちは読解力と単語の認識力を伸ばすと同時に、関連用語や日常生活で頻繁に使われる単語を学習していきます。*Super Easy Reading* では、幼い生徒さんにあったステップを踏みながら、楽しく学べる教材です。

Features:

- Exciting, full-color illustrations to support the beginning reader
- Multi-skill approach to stimulate student interest
- Mini picture dictionary featured in each unit
- Repeated recycling of vocabulary to reinforce sight-word recognition for young readers
- Accompanying audio recording to promote development of listening and pronunciation skills
- Free downloadable supplemental material, including review pages and a test bank
