*Reading Challenge* is a non-fiction reading series designed for high-beginner and intermediate EFL learners. Readings selected for the series present a wide range of topics dealing with interesting or unusual facts and current events. Vocabulary and grammatical structures have been carefully controlled and graduated over the three levels of the series to allow students a comfortable progression from easily accessible readings to more challenging readings. Exercises in the series have been designed to practice reading and comprehension skills useful for students interested in test-taking strategies. *Reading Challenge* is suitable for both classroom use and self-study, although students in the classroom will benefit from the additional activities presented in each unit focused on developing speaking, listening, and writing skills.

ノンフィクションをテーマとして扱ったリーディング教材です。文化、芸術、歴史、健康、科学、テクノロジー、スポーツ、趣味などの多様な分野から楽しく読むことができます。語彙力、読解力に加え、リスニング、スピーキング、ライティングの演習を通して、総合的な英語力が身につきます。

#### Features:

- Non-fiction passages accessible to low-proficiency readers
- Exercises designed to develop reading skills and basic vocabulary
- Common idiomatic expressions incorporated within each passage
- Extension activities that allow students further reflection on the topic
- Audio supplements to accompany each unit
- Exercises involving listening, speaking, and writing which will reinforce students' acquisition of language structure
