

# Side by Side Third Edition

Beginner - Intermediate

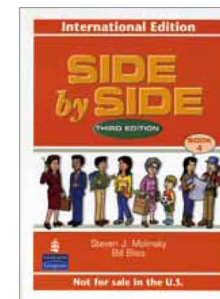

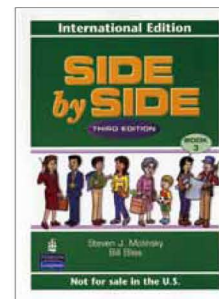

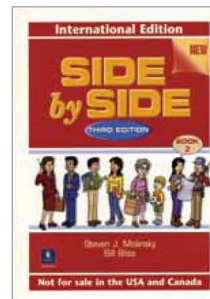

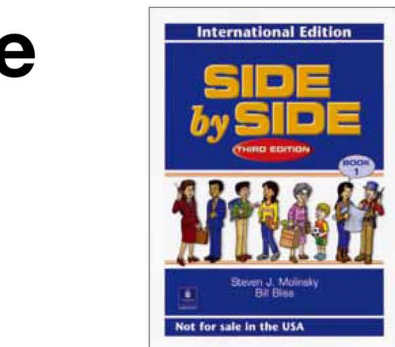

Steven J. Molinsky and Bill Bliss  
www.pearsonlongman.com/sidebyside

**Side by Side** is a dynamic, all-skills program that integrates conversation practice, reading, writing, and listening—all in a light-hearted, fun, and easy-to-use format that has been embraced by students and teachers worldwide.

### Key Features

- Guided conversations allow students to speak with confidence when using new grammatical and functional language
- A balanced range of speaking, reading, writing, listening, vocabulary, grammar, and pronunciation activities help students develop well-rounded language skills
- How to Say It! lessons highlight communication strategies such as complimenting, hesitating, and apologizing.
- Pronunciation exercises provide models for practicing authentic pronunciation, stress, and intonation
- Side by Side Gazette pages feature cross-cultural articles, role-playing and email exchanges
- The Teacher's Guide contains detailed lesson plans, expansion activities, teaching strategies and culture notes, making it an essential resource for busy teachers
